SPIRIT OF SYNCHRO TROPHY

Donated by/history: This trophy was inspired by the wonderful Sue Edwards who embodied the Spirit of Synchro in New Zealand. Each year nominations are called for from clubs for someone who shows the same spirit, passion and love of the sport. That person can be an administrator, an athlete, a coach, a judge, a parent - in fact anyone at all. It is the telling of the story in the nomination that is the most important part.
